

# Infinity Chamber

Shelvin  
Esmeralda  
Xin Yuan

# Introduction

- The game is designed for people to exercise their brains during their free time.
- We choose the chamber as the scenes.
- There are total 10 different-theme rooms

# Rules

- Player can click items in rooms, shake the mobile phone, adjust the volume, etc. to find the mechanism to open the door
- Only when the player figures out can he go to the next room
